**MOTION REQUESTING THAT THE  
CONFIDENTIAL VERSION OF THE  
DIRECT TESTIMONY OF DEVI  
GLICK BE TREATED AS  
CONFIDENTIAL**

Intervenors South Carolina Coastal Conservation League (“CCL”) and Southern Alliance for Clean Energy (“SACE”) hereby move the Public Service Commission of South Carolina (“Commission”) to treat as confidential, the version of the *Direct Testimony of Devi Glick* marked “confidential.”

CCL and SACE filed a confidential version of the testimony on March 23, 2018, in which Witness Glick discussed how avoided generation cost might be expected to change had the methodology approved in Docket 2017-2-E been applied. To inform her testimony on this issue, Witness Glick considered information that SCE&G marked as confidential. Due to a confidentiality agreement CCL and SACE entered into with SCE&G requiring all information labeled “Confidential” be treated as confidential, “until either SCE&G has agreed to remove the confidential designation or an appropriate forum has ruled upon a request or application to relieve CCL and/or SACE of the obligation to maintain the information in confidence,” we are therefore requesting that this version of the testimony remain confidential.

WHEREFORE, CCL and SACE respectfully request that this motion be granted.

This 29<sup>th</sup> day of March, 2018.
